HAYSTACK PEOPLE

PHP Developer | Fintech

Established | Vast

COMPANY PROFILE

Our partner is a financial service provider with multiple subsidiaries. By utilizing the latest technology, they create a product for consumers, financial advisors, mortgage advisors, and other providers of financial products to manage their finances as easily and efficiently as possible.
Through close collaboration with their customers, our partner has built a CRM platform that connects, monitors, and optimizes every step of the customer journey from the first appointment to management. Within 5 years, they have become the market leader in their field.

They have a total of 3 locations: Goes, Deventer, and Hoorn. They have a total of 100 employees, including around 10 developers and 2 product owners. This job is for Deventer!

JOB DESCRIPTION

Within the team, you work together with colleagues focused on the further development of Accelerate. As a team and together with customers, they come up with new functionalities that they develop and deliver. In this way we strengthen our position as a technological leader. The Development team consists of an experienced group of coders and works from Deventer, Goes, Tunisia and Tirana (Albania)

FUNCTIE EISEN

- HBO or WO level of thinking, demonstrable through education or work experience;
- 4+ years experience with web development techniques such as PHP and SQL;
- You are familiar with basic principles of TDD, BDD and DDD and otherwise willing to learn them
- You think and write technical designs;
- You can independently interpret code from others, and where necessary you make substantiated refactor or improvement proposals;

ARBEIDSVOORWAARDEN

You have the opportunity to develop yourself by taking courses and working with experienced colleagues. In addition, they offer a challenging job with a salary of up to €5500 gross per month based on 40 hours. And let's not forget: an informal working atmosphere with fun colleagues and regular drinks and BBQs.
Are you interested? Then send your CV and motivation to j.kranenburg@haystackpeople.nl or call +31 (0)6 30716577.
