HAYSTACK PEOPLE

Python Developer | Crypto exchange

ScaleUp | Vast | 80k

COMPANY PROFILE

Our client, a pioneering crypto trading company, is looking for a Python Developer to strengthen their Treasury and Finance applications team. In this role, you'll work on cutting-edge financial systems while collaborating closely with Trading Technology and Data teams. If you're passionate about fintech, trading, and high-performance applications, this is your opportunity to make an impact!

JOB DESCRIPTION

- As a Python Developer, you'll play a key role in designing and developing software solutions for Treasury and Finance applications. Your work will directly impact the efficiency of financial operations, ensuring seamless integrations and data-driven decision-making.

  Responsibilities

- Develop and optimize software solutions for Treasury and Finance applications.
- Collaborate with stakeholders to gather requirements and provide technical expertise.
- Write clean, efficient, and well-documented Python code.
- Debug and troubleshoot software issues, delivering quick and effective resolutions.
- Participate in code reviews, design discussions, and cross-functional team activities.

REQUIREMENTS

- 3+ years of Python development experience, preferably in Treasury, Trading Mid-Office, or Finance-related applications.
- Experience with database systems such as MySQL, PostgreSQL, or BigQuery.
- Strong understanding of RESTful APIs (building and consuming APIs).
- Proficiency in Git for version control.
- Familiarity with cloud platforms (AWS, Google Cloud, or Azure).
- Strong communication skills in English (both written and verbal).
- Ability to thrive in a fast-paced, collaborative environment.
- A strong affinity for financial services and the world of trading.

WHAT YOU GET IN RETURN

- Innovative Work – Be part of a team driving technology forward in the crypto industry.
- Modern Workspace – Enjoy our state-of-the-art office.

- Daily Perks – Free lunch, fresh fruit, and Friday drinks at our company bar.
- Team Events – Monthly outings and team-building activities.
- Commuting & Pension – Travel allowance and a solid pension plan.
- Wellness & Benefits – 25 vacation days, monthly chair massages, and access to our company gym & benefit program.
- Extra Perks – A €250 home-office setup budget after completing your probation period.

We look forward to receiving your application with your CV via d.gontha@haystackpeople.nl.
