HAYSTACK PEOPLE

Senior Backend developer | Laravel | Dordrecht

Established | Vast | 65k

BEDRIJFSPROFIEL

This company, located in the Dordrecht area, connects thousands of customers with reliable moving services worldwide. As a product-driven organization, it offers innovative solutions for relocations through its digital platforms. With a platform that serves both the B2B market and consumers, a proprietary ERP system, and around 40 websites, they are the market leader in search platforms for movers. Operating in approximately 60 countries, they generate thousands of leads annually through their subsidiary, which distributes them to over 500 affiliated moving companies. Thanks to smart technology and comprehensive service, they remain at the forefront of the moving industry and are committed to continuous growth. The company has ambitious growth objectives and offers a dynamic work environment where both employees and technology are encouraged to develop.

FUNCTIE OMSCHRIJVING

As a Senior Back-End Developer, you are the technical lead within a small, dedicated team. You will be responsible for developing and enhancing complex systems, working closely with front- and back-end developers and other departments to implement innovative technical solutions. You lead the agile methodology, oversee sprint planning and daily stand-ups, and closely monitor progress. With your expertise, you ensure high-quality standards through code reviews. You'll be working with a tech stack that includes PHP, Laravel, and AWS.

FUNCTIE EISEN

- At least 5 years of experience in back-end development with PHP and Laravel
- Willing to come to the office two days per week
- Knowledge of or affinity with frameworks such as Angular and Vue
- Strong leadership skills with the ability to guide and coach a development team
- Experience with agile methodologies, preferably Scrum
- Minimum English proficiency level of C1

ARBEIDSVOORWAARDEN

- A salary up to €70k, depending on your knowledge and experience
- 25 vacation days to relax and recharge
- A pension plan
- 8% holiday allowance
- Profit sharing
- Travel allowance to support your daily commute
