WHAT DO THEY DO?

This company is at the intersection of technology, digital publishing, and e-commerce. With a diverse portfolio of platforms, they reach millions of users monthly across niches like sports, tech-lifestyle, and parenting. By combining in-house technology, editorial excellence, and commercial expertise, they create value for users and businesses alike.

Their culture is entrepreneurial and forward-thinking, focusing on delivering immersive digital experiences that inspire and engage. Whether it's captivating sports fans, guiding parents, or connecting brands with tech enthusiasts, their work is diverse, impactful, and ever-evolving.

With a collaborative and ambitious team, this company offers an environment where **big ideas meet precise execution**, all while keeping the end user at the heart of everything they do.

WHAT IS IT WHAT YOU ARE GOING TO DO?

As a Senior Front-End Engineer, you'll be at the forefront of driving their digital platforms to the next level. Your expertise and leadership will play a key role in ensuring they deliver exceptional experiences across a variety of platforms.

Key Responsibilities:

- **Platform Development**: the migration of platforms to **Next.js** with **TypeScript**, focusing on performance, scalability, and maintainability.
- **Redesign Projects**: Spearhead the redesign of several major platforms, enhancing their user interfaces and experiences in collaboration with the product and design teams.
- **Innovative Problem Solving**: Identify and implement cutting-edge solutions to technical challenges, keeping the platforms ahead of industry trends.
- **Quality Assurance**: Promote best practices in code quality, testing, and deployment, ensuring seamless and reliable user experiences.

WHAT DO YOU NEED TO HAVE?

We're searching for a driven professional who thrives in a fast-paced, creative environment and aligns with the company's values of innovation and collaboration. The ideal candidate will have:

- **5+ years of hands-on experience** with:
- TypeScript
- Next.js
- React
- The ability to work independently, make decisive choices, and take ownership of outcomes.

THIS IS WHAT YOU WILL GET

We believe in rewarding talent and commitment. When you join the team, you can expect:

- **Competitive Salary**: Up to €75,000 annually.

- 100% travel reimbursement.
- 24 vacation days per year.
- A personal development budget to fuel your growth.
- **Top-notch Equipment**: A laptop of your choice to suit your preferences.
- **Modern Office**: Work from a stylish, newly designed office in Amsterdam’s Overamstel area.
- **Professional Growth Opportunities**: Attend relevant conferences and events to stay at the forefront of the industry.
- **Hybrid Working Environment**: Enjoy flexibility with a mix of office and remote work (office days are Wednesday and Friday).
- **Exclusive Perks**: Free subscriptions to the platforms they proudly create.
