HAYSTACK PEOPLE

Senior React Developer

ScaleUp | Vast | 75k

COMPANY PROFILE

This company is an international tech company that specializes in streaming services. You often see streaming services that they have 1 platform and offer everything on it. This company has chosen to do things a little differently. They have multiple platforms within the company, all with their own niche focus. Do you like romantic movies? Then they offer a platform for this, where you only see films that fall into this genre. To achieve this, they have exclusive deals with world-class production companies and produce their own films.
They started in 2016 and are now active in more than 8 countries, including Norway and Sweden. They are now one of the fastest growing Subscription Video-on-Demand companies in the Netherlands and have an annual growth rate of more than 100%. They have a development team of 15 people, divided over several teams, where each team has its own focus area.

JOB DESCRIPTION

As a senior React Developer, you and the team are responsible for ensuring the user-friendliness of the platforms. Smooth streaming, smart applications and high-quality content make the platforms successful. You will shape the future of software products and services. Think of developing the Smart TV apps for LG and Samsung, adding functions such as “download to go” and similar projects. In addition, you will get to work designing, building, implementing and supporting their software infrastructure.
As a senior React Developer you are expected to help the team to become as successful as possible. You are also expected to support with coaching and take on the lead role.

JOB REQUIREMENTS

- 4+ years of experience as a Front-end developer
- You have good knowledge of React and NodeJS. Preferably also with React Native and basic PHP/Laravel
- You would like to take the step to lead

OFFER

- A salary of up to 80k per year
- Lots of freedom and flexible working hours
- Hybrid way of working, where you are at the office at least once a week
- 8% holiday allowance
- 25 vacation days
